To facilitate an efficient and effective review process, NYSED staff will utilize the 2021-2022 Desk Review Monitoring protocol. The Desk Review Monitoring protocol will be administered via the NYSED Business Portal – the same platform used by LEAs to complete and submit the annual Consolidated Application for ESSA-Funded Programs. The online protocol is broken down into three sections to examine District and school-level policies, procedures, and practices:

Section I – Programmatic Compliance

Section II – Equitable Services Compliance

Section III – P 8[atehool ~~Rev~~

materials to the secure online portal. The completed protocol must be submitted to NYSED by Monday, April 4, 2022.

Phase II – NYSED Review:

Upon receipt, NYSED staff will review submitted materials and make determinations about the LEA's compliance with each indicator using a standardized rating scale. In addition, reviewers will provide notes detailing strengths, required actions, and recommended actions. Reviewer ratings and notes will be provided to the LEA within 30 calendar days. Please note that timely submission of appropriate evidence will facilitate a more efficient review process and may reduce the amount of time needed to complete review activities during Phase II.

Phase III - Follow-Up Activities:

The LEA will be required to develop a Corrective Action Plan (CAP) for each indicator that generated a Finding or a Required Action. The CAP, including evidence of completed corrective actions, must be submitted via the online portal to my office within 30 calendar days. Should additional time be required to develop the plan or complete required corrective actions, an extension may be requested. Once all identified findings and required actions have been addressed, NYSED will issue a formal letter to conclude the Desk Review Monitoring.
