The [Association for Library Service to Children](#) (ALSC) annually identifies the best of the best in children's books. ALSC defines "notable" as: Worthy of note or notice, important, distinguished, or outstanding. When applied to children's books, notable includes books of especially commendable quality, books that exhibit venturesome creativity, and books of fiction, information, poetry, and pictures for all age levels (birth through age 14) that reflect and encourage children's interests in exemplary ways. Check out the list of books appropriate for Younger Readers ± Preschool to grade 2 (age 7) which including easy read books on the ALSC website.
