STEP TWO Plan Your Paper-Based Testing Schedule

The first step in creating a testing schedule is to determine the number of tests you will administer. See page 1 for information on the number of tests you can administer. The next step is to determine the time you will have available for testing. Plan to allow at least 15 minutes for each test, plus time for grading, and time for the students to take the test.

The State 2022 English Language Arts Test is a computer-based test. The test is divided into two parts: a reading test and a writing test. The reading test consists of 35 multiple-choice items and 1 short-answer item. The writing test consists of 6 short-answer items and 1 extended-response item. The test is administered in two sessions: Session 1 and Session 2. The reading test is administered in Session 1 and the writing test is administered in Session 2. The test is administered in the state capital building in Tallahassee, Florida. The test is administered to students in grades 6-8. STEP THREE Prepare Your Paper-Based Testing Room

The first step is to prepare the testing room. This involves ensuring that the room is quiet, well-lit, and free of distractions. You should also ensure that the room is clean and that the testing materials are organized and ready for use.

Next, you should consider the seating arrangement. It is important to ensure that students have enough space and that they are not able to see each other's work. This can be achieved by using desks that are angled or by using partitions between desks.

Another important consideration is the placement of testing materials. These should be placed in a secure location where only the students and the proctor have access. This can be done by using a locked cabinet or a secure storage area.

Finally, you should consider the placement of the proctor. The proctor should be positioned in a location where they can easily monitor the students and where they can quickly respond to any questions or concerns.

SAY You may not keep your cell phone or any of these items with you, or near you, including in your pockets, backpack, desk, etc. If you keep a cell phone or any of these items with you, your examination will be invalidated and you will get no score. Is there anyone who needs to give me any of these items now?

This is your last opportunity to do so before the test begins.

Repeat list of devices. Pick up devices from students and return them after testing.

SAY You will be taking the 2022 Grade 6 English Language Arts Test. There are two sessions for this test. Today, you will answer the questions in Session 1. You will answer the questions in Session 2 tomorrow.

Today, you will read some passages and answer questions about what you have read. You must mark your answers on your answer sheet by darkening the circle for the letter that matches your answer for each question. You will have as much time as you need today to answer the questions.

Distribute an answer sheet to each student. If answer sheets are precoded, make sure each student receives the correct answer sheet.

SAY This is the answer sheet you will use during today's test session. Look at your answer sheet and make sure you are on page 1. The page number is indicated in the upper right-hand corner of the answer sheet.

When marking answers on your answer sheet, you must darken the circle for the letter that matches your answer for each question.

Be sure to use only a No. 2 pencil. You may not use a pen or highlighter on your answer sheet. When you darken the circles, make heavy black marks.

If you make a mistake, erase it completely.

Make no stray marks on the answer sheet.

Do not make any marks on the back of your answer sheet.

Are there any questions about how to darken the circles on your answer sheet?

Pause for questions. When you are confident that all students understand how to use the answer sheet, distribute a Session 1 booklet to each student.

SAY This is your Session 1 booklet. Do not open your test booklet until I tell you to do so.

Look at the cover of your test booklet. Make sure it says "2022 English Language Arts Test Session 1" and "Grade 6." If you do not have the correct booklet, please raise your hand and I will give you the correct one.

Find the word "Name" at the top of the cover. Write your first and last name on the blank line.

Check to make sure each student has written their name on the front cover of the test booklet.

SAY All of your answers must be marked on your answer sheet. You may, however, make notes, highlight, or underline in your test booklet as you read.

Are there any questions?

Pause for questions. When you are confident that all students understand the directions,

SAY Now, open your test booklet and look at the page opposite page 1.

Check that all students are looking at the correct page.

SAY Look at the shaded box. Please follow along while I read what is in the box.

Your answer sheet has a section labeled "SESSION 1 Form" located above the area in which you will place your responses to the test questions. Find this area on your answer sheet now.

Pause as students find the area on their answer sheet. When you are certain that all students have located the correct area,

SAY Darken the circles to indicate the letter and the number of the form you are using. Your test booklet will show you which form to fill in on your answer sheet. Please darken the circles on your answer sheet as shown below.

Are there any questions?

Pause for questions, then circulate around the room and verify that each student has filled in the correct form.

SAY Now, look at page 1 in your test booklet. Please read along silently as I read the Tips for Taking the Test aloud to you.

Read the Tips for Taking the Test aloud as the students follow along.

SAY Here are some suggestions to help you do your best:

Be sure to read all the directions carefully.

Most questions will make sense only when you read the whole passage. You may read the passage more than once to answer a question. When a question includes a quotation from a passage, be sure to keep in mind what you learned from reading the whole passage. You may need to review both the quotation and the passage in order to answer the question correctly.

Read each question carefully and think about the answer before making your choice.

SAY Are there any questions?

Pause for questions. When you are confident that all students understand the Tips for Taking the Test,

SAY When you see the words **GO ON** at the bottom of a test booklet page, go on to the next page. When you come to the word **STOP**, you have reached the end of Session 1. You may go back and check your work. When you are finished please place your answer sheet inside the front cover of your test booklet and close your test booklet.

Are there any questions?

Pause for questions. When you are confident that all students understand how to take the test,

SAY You must work independently, and you may not speak with each other while the test is being administered.

Now, please turn to page 2 and begin.

Make sure that students are on the correct page and are darkening the circles on the answer sheet

Grade 6 English Language Arts Test, Session 2

Make sure you have a copy of the Session 2 booklet.

Make sure each student has a No. 2 pencil. Students may **not** use pens. Students may be permitted to use highlighters when taking this test. You must, however, monitor student use of highlighters to ensure that they are not being used by students to write their responses to questions or in a way that obscures their responses to questions.

Do **not** distribute any answer sheets; students will write all answers directly in their test booklets.

Students are **not** to be given scratch paper. Only the responses in their test booklets will be scored.

At the beginning of the test administration, proctors must read the following statement to all students taking State tests:

SAY You cannot have any personal communications device, including a cell phone, with you during this test or during any breaks, such as a restroom visit. Such devices include, but are not limited to:

Cell phones

iPods and MP3 players

iPads, tablets, and other eReaders

Laptops, notebooks, or any other personal computing devices

Cameras, other photographic equipment, and personal scanning devices

Wearable devices/smart wearables, including smart watches and health wearables with a display

Headphones, headsets, or in-ear headphones such as earbuds, and

Any other device capable of recording audio, photographic, or video content, or capable of viewing or playing back such content, or sending/receiving text, audio, or video messages

If you brought any of these items to the building today, and have not already stored it in your locker or turned it over to me, a test monitor, or school official, you must give it to me now. You may not keep your cell phone or any of these items with you, or near you, including in your pockets, backpack, desk, etc. If you keep a cell phone or any of these items with you, your examination will be invalidated and you will get no score. Is there anyone who needs to give me any of these items now?

This is your last opportunity to do so before the test begins.

Repeat list of devices. Pick up devices from students and return them after testing.

SAY Today, you will be taking the 2022 Grade 6 English Language Arts Test, Session 2. You will read the passages carefully and answer questions about what you have read. You must write your answers directly in your test booklet. Only the responses written in your test booklet will be scored. You will have as much time as you need today to answer the questions.

SAY Use only a No. 2 pencil. You may not use a pen.

Are there any questions?

Pause for questions. When you are confident that all students understand the instructions, distribute a Session 2 booklet to each student. If earlier today the student identification labels were affixed to the back covers of the student test booklets, make sure each student receives the correct test booklet.

SAY This is your Session 2 booklet. Do not open your test booklet until I tell you to do so.

Look at the cover of your test booklet. Make sure it says “2022 English Language Arts Test Session 2” and “Grade 6.” If you do not have the correct booklet, please raise your hand and I will give you the correct one.

When a question includes a quotation from a passage, be sure to keep in mind what you learned from reading the whole passage. You may need to review the st aloud as the students followialz,

SAY Are there any questions?

Pause for questions. When you are confident that all students understand the Tips for Taking the Test,

SAY Read the passages and answer the questions. All of your answers must be written in the Session 2 booklet.

If you need more space to continue or complete an answer, you may use any available blank space in the Session 2 booklet. Please make sure to clearly note and label the continuation of your answer. Also make sure that you are not using space that has been provided for another question. Remember to write complete and thorough answers and include details and examples from each passage.

When you see the words GO ON at the bottom of a test booklet page, go on to the next page. When you come to the word STOP, you have reached the end of this test. You may go back and check your work. When you are finished please close your test booklet.

Are there any questions?

Pause for questions. When you are confident that all students understand how to take the test,

SAY You must work independently, and you may not speak with each other while the test is being administered.

Now, please turn to page 2 and begin.

Students should remain quietly at their desks when they finish the test. The proctor may collect the test materials either as students complete the test or when most of the students have finished.

Students who finish the test before other students should check their work. Once the student checks their work, or chooses not to, test materials may be collected by the proctor. After a student's test materials are collected, that student may be permitted to read silently. This privilege is granted at the discretion of each school. No talking and no other schoolwork is permitted. Once all students complete the test, you may end the session.

Given that the Spring 2022 tests have no time limits, schools and districts have the discretion to create their own approach to ensure that all students who are productively working are given the time they need to continue to take the tests within the confines of the regular school day.

If the test is administered in a large-group setting, school administrators may prefer to allow students to hand in their test materials as they finish and then leave the room. If so, take care that students leave the room as quietly as possible so as not to disturb the students who are still working on the test.

Follow security procedures established by your principal or school administrator for returning secure test materials.

STEP SIX
